Video and Audio Audio Description: RSS feedNew at SubtleTV! Close Video: Video: The New York Heist A film by Chris Harris and Adam Schlesinger of Schlesinger Films, The New York Heist tells the incredible story of one of the most successful and notorious criminal enterprises in history. With over 120 hours of exclusive interview footage, this documentary is a true journey into the minds and secrets of today's criminal and gang members. The film tells the incredible story of one of the most successful and notorious criminal enterprises in history. With over 120 hours of exclusive interview footage, this documentary is a true journey into the minds and secrets of today's criminal and gang members. The movie tells the shocking tales of one of the most highly sophisticated criminal organizations in history, the Black Hand. A ruthless and ruthless organization whose members command incredible numbers of stolen weapons, sophisticated technology and a wide array of organized crime contacts. In this film, two brothers who never met, join forces and create what became one of the largest and most well known criminal organizations in history. These brothers of 'The New York' face all comers, and they're going to do it all again. A true story of crime has never been told like this.
